

TANZANIAN CHILDREN'S FUND

Annual Report 2022

Who We Are

Founded in 2003, the Tanzanian Children's Fund (TCF) is a community-based development organization operating in the Oldeani Ward of northern Tanzania. TCF recognizes that poverty is a complex challenge that often spans generations. In order to make a meaningful and lasting impact, we are committed to working in partnership with the local community to ensure we are providing all the tools and systems they need and deserve to realize a brighter future.

Our Model

We address the challenge of systemic poverty from all sides by providing a community of 10,000 with access to quality education, compassionate medical care, economic opportunity, and a home for vulnerable children.

High Quality Education

Free, Accessible Healthcare

Economic Opportunity

A Forever Family

A Letter From Our Executive Director

Friends,

2022 felt like our busiest year yet filled with so much growth and joy!

We were thrilled to welcome 11 new children into our forever family. With the arrival of each new child, came the abundance of love and excitement that makes the Rift Valley Children's Village so special. We spent the year celebrating first steps, birthdays, graduations, and many more milestones as a family of 112.

Our Education program expanded as we took on a new partnership with Oldeani Primary School to ensure every student in the Oldeani community has access to quality education. With much anticipation, we also constructed our first dormitory which will house 96 female students and allow us to transition Oldeani Secondary School into a residential campus.

Thank you for another great year of progress as we work together to change what life looks like for a generation of Tanzanians.

With many thanks,

Peter Mmassy, Executive Director & Co-Founder

2022 At A Glance

Launched a partnership with Oldeani Primary School

Provided quality education to over 1,700 students at 3 local partner schools

Implemented a Special Education Program at Gyetighi Primary School

Constructed our first dormitory serving as the first step in transitioning Oldeani Secondary School into a residential campus

Achieved a 100% pass rate for Standard 7 students at both Gyetighi and Oldeani Primary School

Welcomed 11 new children into our forever family making the Rift Valley Children's Village home to 112 children

Supported 93 students to attend college or university

Conducted 7,600 patient visits at our Rural Community Health Clinic

Empowered 650 local entrepreneurs with microloans and business training

Enrolled 41 students in our Early Childhood Care & Education Program

Education

To revolutionize the standard of education available in the Oldeani community, TCF partnered with the local government to co-manage Gyetighi Primary School (GPS) in 2007 and Oldeani Secondary School (OSS) in 2013.

These unique partnerships allow for sustainable interventions where TCF provides resources, employs educators, develops curricula, renovates classrooms, expands campuses, and trains teachers to best meet the needs of students.

Committed to creating an equitable level of education for all students in our area, we launched a new partnership with Oldeani Primary School (OPS) in 2022.

At OPS we hired 14 teachers, purchased 2,100 books, built 208 desks and chairs, constructed a new bathroom, renovated parts of the campus, and hosted teacher training seminars. These investments made a tremendous impact on the student experience and for the first time in school history, 100% of the Standard 7 students passed the National Exam.

Health

When we began our work, the nearest health clinic was more than an hour away by foot and the nearest hospital was three times as far. In order to close the gaps in access and affordability, TCF established our Rural Community Health Clinic to provide free, quality, and compassionate medical care to all those living in the rural community of Oldeani.

For patients requiring more extensive intervention, we facilitate care and cover all medical expenses for over 1,000 patients treated at FAME Medical each year.

In 2022 our Rural Community Health Clinic had over 7,600 patient visits! To promote community well-being, our health team provided medical screenings for over 1,700 students, offered health classes at our partner schools, and empowered over 180 patients with a chronic disease with the knowledge and medication needed to manage their illnesses effectively.

Rifty Economic Advancement Program

For many generations, seasonal coffee picking was the only employment opportunity for those living in the Oldeani community. To address this challenge, TCF launched the Rifty Economic Advancement Program (REAP) to empower over 600 local entrepreneurs with the microloans, training, and resources needed to launch and operate a small business.

REAP is having a lasting impact on our community by allowing its members to build a better life and future for themselves and their families.

In 2022, we added 50 youth entrepreneurs to the REAP program to address the critical lack of opportunity facing the younger population of Oldeani who did not have the means to attend post-secondary school.

With rising global food prices and a below-average rainy season, the REAP team also provided trainings that educated REAP members on best agricultural practices to help put food on the table and elevate incomes.

Rift Valley Children's Village

The Rift Valley Children's Village (RVCV) provides the area's most vulnerable children with a forever home and loving family. With each child, we provide unconditional support and care through every stage of development until they are ready to live independently as an adult.

In addition to providing legal guardianship to the children of RVCV, TCF operates an Early-Childhood Care and Education Program and provides numerous scholarships to support the bright futures of all children in our community.

In 2022, we dedicated a significant amount of time to preparing our young adults for their next phase in life. Our social work team worked hard to empower our children with the confidence and skills needed to either apply for college or land their first job!

At RVCV we prioritized improving systems for mental health support as a family. TCF provided extensive training for all staff and brought on a part-time Child Psychologist who conducted over 650 sessions to best support the needs of our children.

A Letter From Our Treasurer

To our supporters and friends:

I am pleased to report that the Tanzanian Children's Fund received approximately \$3.8 million in contributions and other revenues in Fiscal Year 2022, with \$900,000 of this amount in pledged gifts. On behalf of the entire Board of Directors, allow me to say a resounding THANK YOU!

These funds have allowed TCF to continue to support its many impactful programs and to expand into exciting new areas, such as the investments we are making in the boarding program at Oldeani Secondary School and the post-secondary education of the older RVCV students.

Among the many positive developments to report in 2022, I want to highlight the following:

- The very first dorm quad was constructed at Oldeani Secondary School, creating a residential campus where 96 girls now live for the 2023 academic year.
- We began our partnership with Oldeani Primary School by hiring 15 additional teachers, purchasing over 2,000 books, renovating classrooms, and building new desks and chairs to accommodate excited learners.
- Our Rural Community Health Clinic had over 7,500 patient visits.
- 50 local youth entrepreneurs joined our Rifty Economic Advancement Program.

In 2022, our total expenditures in the U.S. and Tanzania were approximately \$2.5 million (\$2,535,549). Of that amount, approximately 84% was spent directly on programs in Tanzania, with approximately 16% of our expenditures allocated to general overhead, including fundraising.

Our Board of Directors continues to focus on the long-term financial health of TCF. As of November 30, 2023, TCF had approximately \$6.7 million (\$6,691,893) in its investment accounts. The members of the Board and Directors of TCF are committed to using these monies to ensure the long-term support of the Rift Valley Children's Village and the Oldeani community. On behalf of the Board of Directors and the entire TCF Community, I want to thank you for making this all possible.

R. Todd Cronan

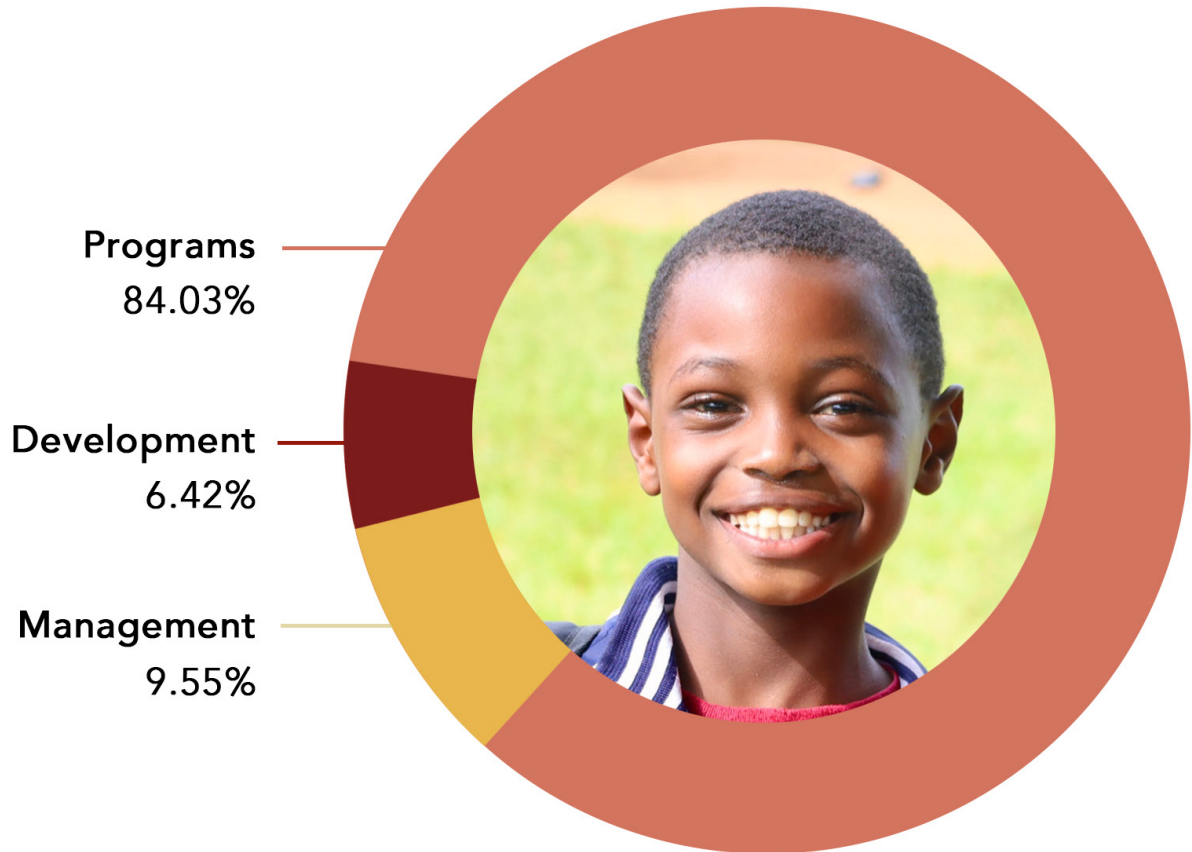

Treasurer

2022 Revenue

2022 Expenses

Thank You To Our Board Of Directors

Thank you to our Board of Directors who has guided us through our toughest challenges, advised us on plans for expansion, and helped us map our road ahead. We share our appreciation for their constant dedication to our mission.
